Louisville

Louisville has evolved into a beautiful, ever-changing city. From the "Pride of Louisville" campaign in which singer Hazel Miller has made so successful to the new Galleria and the extensive renovation of the famous Seelbach Hotel, we have just begun to expand our goals of making Louisville the best it can be. The old and new together, with the proper leadership, will make it last. **LOOK WHAT WE CAN DO, LOUISVILLE!!**

Moore High School is a major part of the pride instilled in the City of Louisville. It must prepare students who will lead Louisville into the future to make it the best it can be. A dedicated faculty, enthusiastic student body, and excellent academic, extra-curricular, and athletic programs all ensure that our goals are attainable. **LOOK WHAT WE CAN DO, MOORE HIGH!!**

juniors become seniors

On May 28, 1982, the Class of 1983 officially became seniors. Orders for class rings were taken in October and it seemed an eternity before the big day finally arrived, RING DAY!

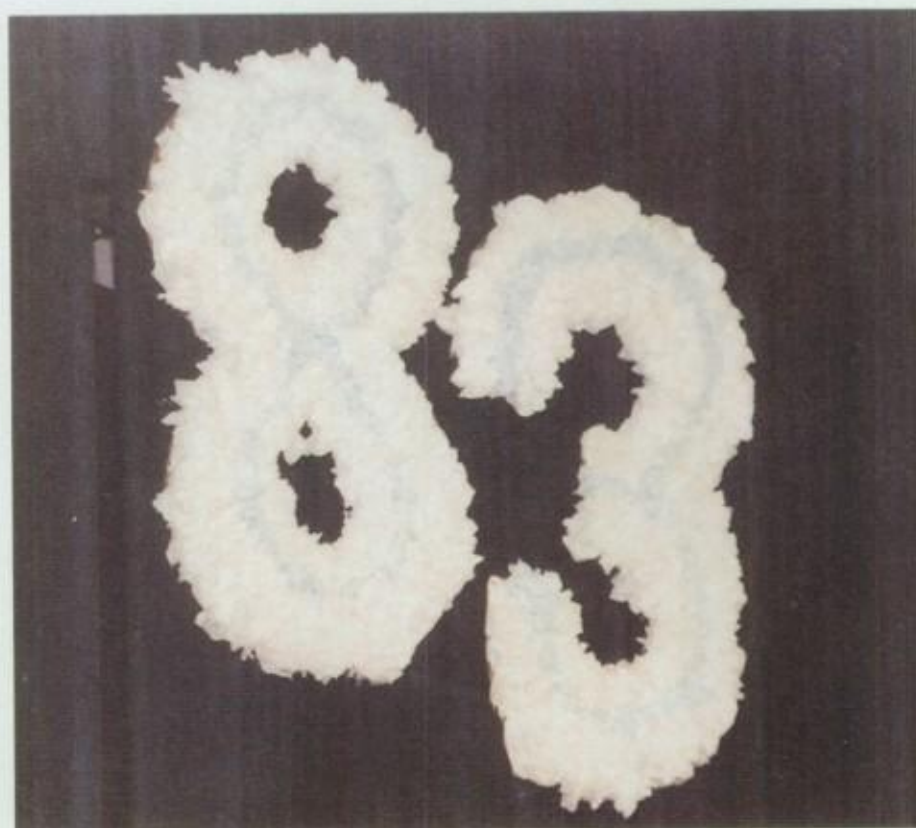

On Ring Day the juniors did not have to attend any classes. During 1st period as well as 2nd they practiced to make everything perfect. After this they returned home to change into their gowns or suits. Everyone returned 5th and 6th periods for the ceremony. The ceremony was beautiful as the lights were dimmed all over the entire theatre except for the illuminated stage. A huge "83" hung in the middle serving as a reminder of how truly close they were to becoming seniors.

David Kopp, junior class president, received the Senior Key from David Wright, president of the Class of 1982. Mr. Shelton then announced the class officers who received their rings first.

As the names of the remainder of the class were announced the juniors rose, crossed the stage, and returned to their seats. The class went wild when David Kopp announced that everyone could don their rings and were officially declared seniors.

After the ceremony everyone met in the cafeteria where a six-tier cake topped with a blue and white "83" greeted them. Other refreshments were also served as everyone asked their classmates to turn their rings.

As Ring Day came to an end, a door of new conquests opened for the Class of '83.

The 1982 Football Homecoming Week was an exciting one at Moore with school spirit and anxiety running extremely high. The "Dress-Up" days were a great success. "Punk-Rock" day let Moore's "punkier" crowd show their true identities. "Baby Doll" day had many students dressed in the usual, and sometimes unusual, "kiddie" garb. Homecoming's annual "Dress-Up" day found many students dressed in their Sunday best. Many a Capone look-alike could be found on the infamous "Gangster" day complete with wide-brim hats, pinstripe suits, and toy machine guns. Friday brought "Blue-Gray" day as all of Moore High School donned their true blue-gray spirit.

The annual bonfire pep rally kept the spirit flowing as everyone enjoyed the competition between classes and the camaraderie shared around the fire afterward.

Then came Friday — **THE BIG DAY!** The school day was highlighted by an unusually exciting pep rally. Everyone was surprised, if not overwhelmed, when many of the teachers strutted through the pep rally as celebrity look-alikes. The Moore Fillies performed a punk-rock routine to "We Got The Beat" by the GO-GO'S which really got the crowd rocking. Participation in the finals of the class competitions was also enjoyed by the entire student body.

Lori Mills and David Kopp competed in class competitions.

The Mustangs battle it out with the Rebels.

The Homecoming game was a great victory as Moore pounded the Atherton Rebels 33-0. Moore made victory look easy as they jumped to a 20-point lead in the first quarter of the game. The attack on the Rebels was led by seniors Mike Alexander, Rusty Miller, and Maurice Washington.

Halftime activities began as the Drill Corps marched to the song "Nutville" which was played by the band. The homecoming court was then announced and Relya Moore was crowned **FOOTBALL HOMECOMING QUEEN 1982!** Relya's court included Margie Babcock, Karen Buschmann, Kristie Gilmer, Allyson Miller, and Sheri Todd. Also at halftime the seniors proved dominant once more as they ran away with both the float competition and the spirit award. As homecoming week drew to a close, a post-game dance was held in the lobby with the band Chain Lightning providing the music.

Memories: The best time was 7, 8, and 9th grades when you could party anywhere you wanted; my lovely friends are D.W., M.C., M.B., C.R., S.L., S.W., and all the heads, I'll never forget them. We all had a good time in this school and especially together before this school changed to a real jail. I'll never forget Mr. Har., Mr. R.; Mr. De.; Ms. R.; Mr. O.; Mr. Will.; Mr. W.; They were all good teachers to me. The days the token sisters have spent cutting, partying; Rock-N-Roll 4-ever.

Ambition: Is to be successful in everything I do. Get a good job so I can party on & do what I want.

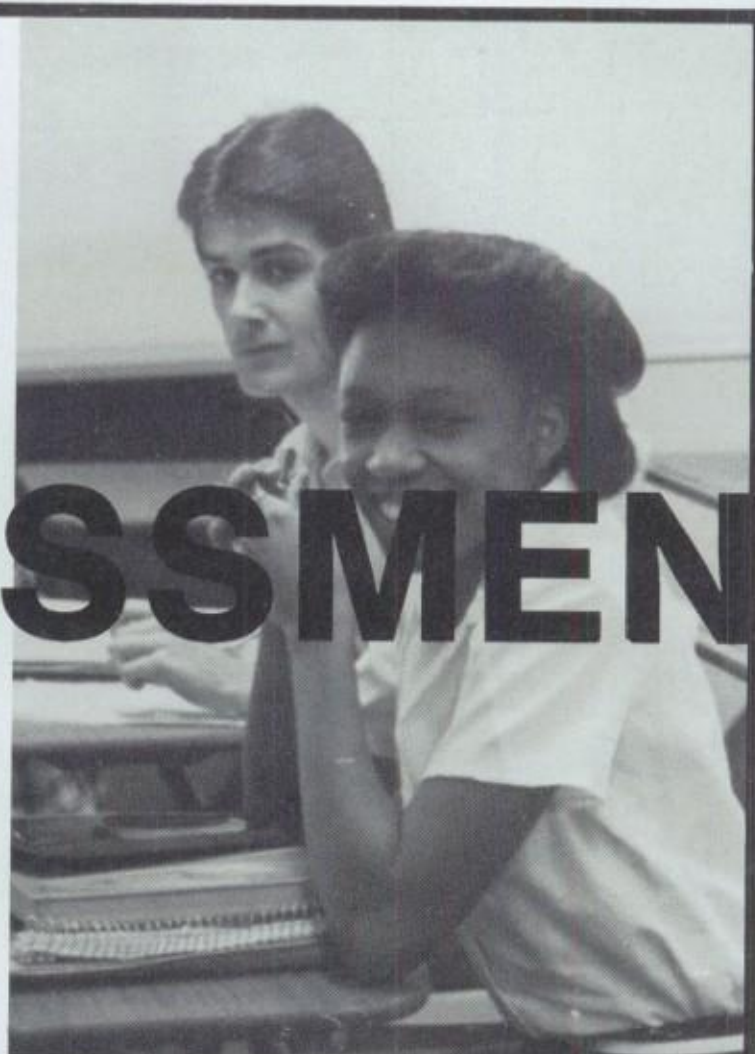

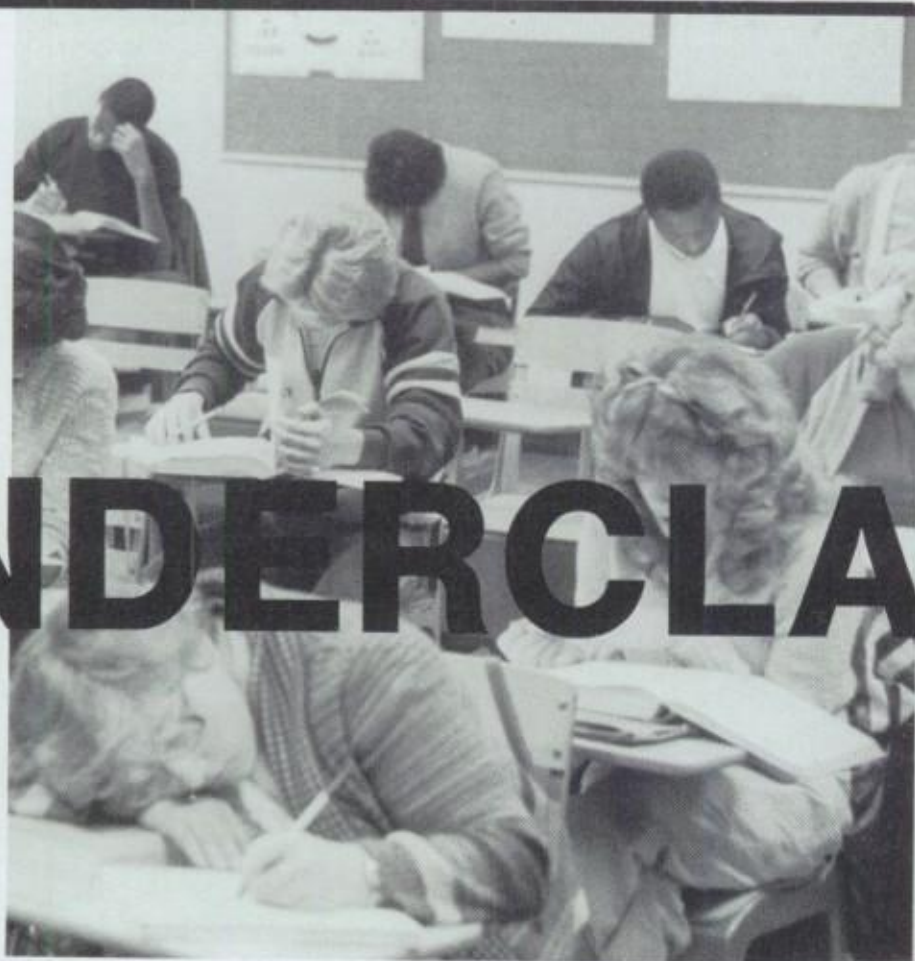

The future is ours —
 We can mold it and shape it.
 We can change its course by
 changing our lives.
 What we say is what it hears.
 What we do is what it achieves.
 And what we are is what it
 becomes.
 We can cause it to be a
 failure by not caring;
 But we can make it a
 success by trusting God and
 reaching for our goals.
LOOK ahead to the future —
WHAT there is for us.
WE will be the leaders soon.
CAN we run the world
 like previous generations?
DO we really want to?

SOPHOMORES

SOPHOMORES

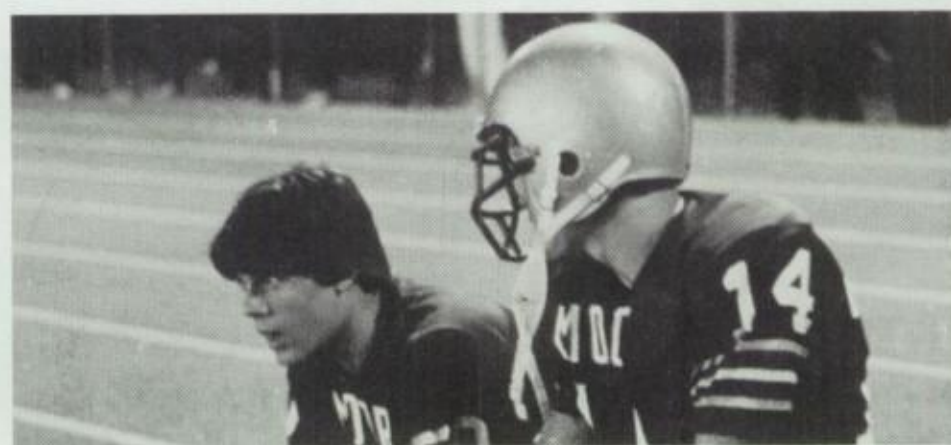

*Give the sophomores time to wonder
To seek and to find,
To reach for and cherish,
In their own mind.*

*Give the sophomores strength for power,
To have and to love,
To greet each failure,
With a smile from above.*

*Give the sophomores a life to lead,
To change and rebuild,
To look back on,
As those completely filled.*

*Give the sophomores time to wonder,
For strength as their power,
For faith to believe in,
As their life is led each hour.*

Angel Avery

SOPHOMORES

*When today is over and
Tomorrow hasn't yet begun
When the stars are falling
For the rising of the sun.*

*We will still be friends
Very close, very dear.
As we have been
Throughout this year.*

*Games, pep rallies,
Bon fires, too,
They all hold special memories
For me and for you.*

*Good times, bad times,
We've seen them all.
Laughing and smiling
Between classes, in the halls.*

*Though we complain,
Yell and scream,
It's not as bad
As we make it seem.*

*We're friends today and,
We'll be friends tomorrow.
We've seen a lot of happiness
And we've seen some sorrow.*

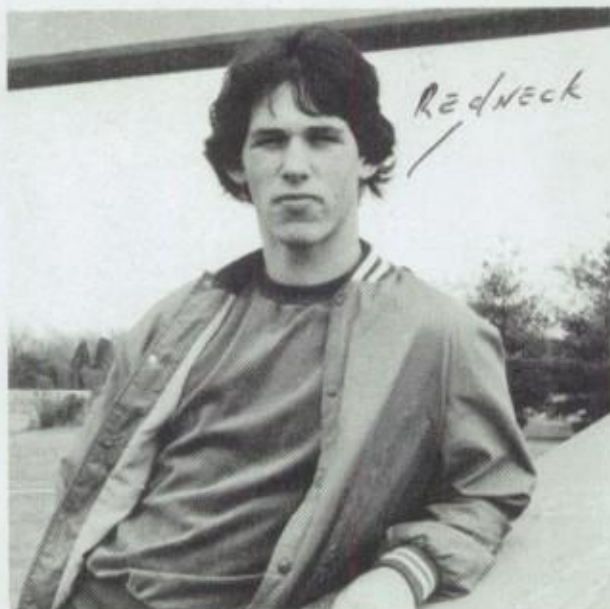

*All the memories in
Our heart and soul,
Where did all
The time go?*

Joy Gordon

Joy Gordon was chosen as *Most Outstanding* of the freshman class. She has been a cheerleader since the seventh grade, giving her the experience to be the only freshman chosen for this year's varsity squad. Her other activities include tennis and gymnastics. Joy was also selected as a candidate for princess in the 1982 Football Homecoming Court. In her spare time she likes to watch television. Joy's favorite subjects are history and math. As for the future she hopes to be successful in the rest of her years at Moore.

Monty Woodson

This year he is a member of Moore's marching band where he plays the cymbals and a member of the concert band where he plays the saxophone. His other activities included wrestling, where an injury curtailed his freshman season. As for awards he was chosen as the Speaker of the House in the Kentucky Youth Assembly. FRESHMEN

WE ARE SPECIAL,
THE CLASS OF '86

Freshmen are the class of 86.
It is the class that has the kicks.

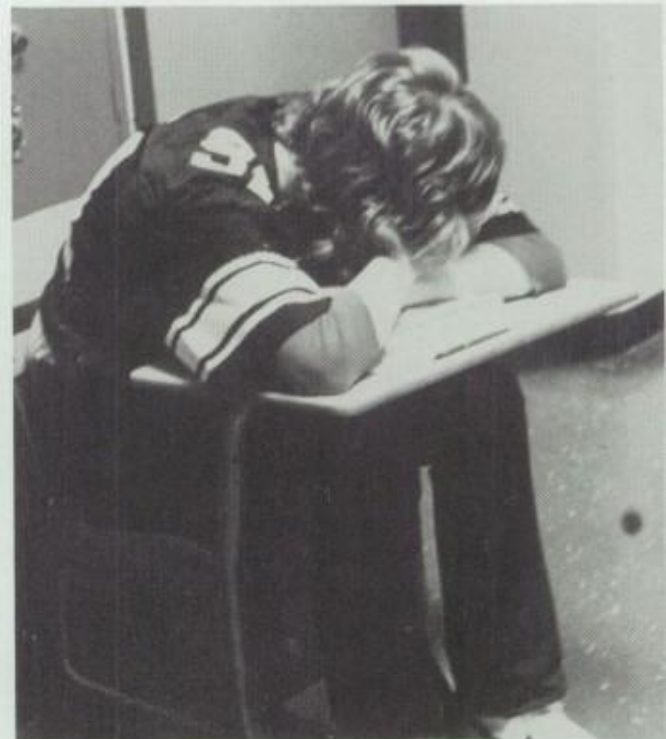

We will have our good times,
And our bad times, too,
Just like all the,
Other classes do.

But we think we're special,
In a weird sort of way,
And that makes every,
Freshman special every day.

So when you see a freshman,
Don't you dare look down.
Keep your head held high,
Because freshmen never frown.

So good luck to every freshman,
I hope your dreams come true,
Because I know you'll try
To Keep your dreams brand new.

Sandy Hartlage

WHAT IT'S LIKE TO BE
A FRESHMAN

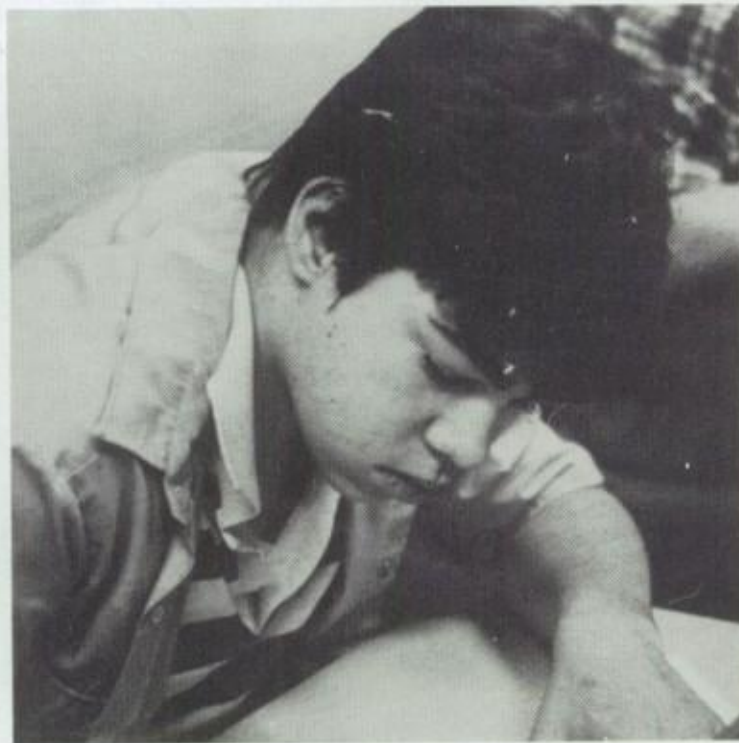

Freshman life isn't grand
Too much homework,
And the classes are bland.

They ask you questions,
That keep your mind jarred
The teachers are more strict
And the work has gotten hard.

You're excluded from activities,
That you shouldn't be,
Bottom rung of the ladder,
Roots of the tree.

I want to ask a question,
That goes right to the core
Will things get better,
When I'm a sophomore?

Ethel Hazard

A TRIBUTE TO THE FRESHMEN

We may be young,
We may be small,
But the Class of '86
Will conquer all.

It's hard for you big guys,
To give us much credit,
When all we need is
A year or so at it.

We're not that big,
We're not really that mean,
But the freshmen
Could beat the senior team.

Seniors seem to overlook,
The qualities we have,
They're too busy looking,
At all the good times they've had.

We little freshmen,
Will be "Big Kids" someday,
Just as tomorrow,
Will be a brand new day.

Regardless of what you sophomores say,
Or what you try to do,
You can't top us freshmen,
We're just as cool as you.

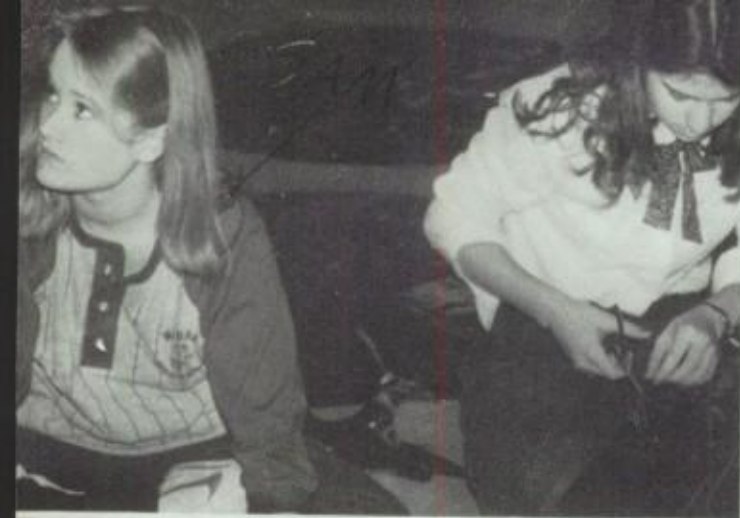

Though you don't believe,
A word that I've said,
We freshmen will make it,
So, just turn your head.

If the saying is true,
"It's the little things that count,"
Well I guess that leaves the
Seniors, Juniors, and Sophomores OUT!

Mustangs Win 27th District

by Eric Metcalfe

The baseball team won the 27th District title by defeating Fern Creek 2-1 behind the hitting and pitching of senior John Donahue. The Mustangs, however, lost in the first round of the Regionals to Seneca 2-1. John Donahue struck out 14 Redskins while pitching a four-hitter. The season record was 9-14 in what was considered a rebuilding year, with only 2 experienced letterman returning. The

Mustangs, during season play, defeated three of the four regional finalists; Seneca, Waggener, and Male. John Donahue was the most valuable player as he led the team in hitting with an average of .387, with six doubles, three homeruns, and seventeen R.B.I.'s. John made the 7th Region and 21st District teams. Pat Donahue was the only other Mustang to make All-District.

△ John Donahue hits one of his three home runs in a game against the Jeffersontown Chargers.

△ Matt McKinney runs a foot race with the Jeffersontown third baseman.

△ First base is just a hop, skip, and a jump away from Pat Donahue in the regional game against the Seneca Redskins.

Kneeling: Byron Gabehart, Mike Hodges, David Daub, Tony Welty, Scott Squires, Matt McKinney, Brian Wood, Brian Tucker, Jeff Valentine.
Standing: Phil Wheat (Manager), Jeff Parker, Gary Roth, John Donahue, Chuck Bryant, Jeff Lykins, Brian Lucas, David York, Tommy McPherson, Pat Donahue, Steve Vesel, Coach Ron Hall.

Post 9-3 District Record

by Judi Walden

The 1982 edition of the girls' softball team started the season with an 18-12 decision over the Seneca Redskins in 28 degree weather. The team remained in first place the entire season until they fell to the Southern Trojans on the last day of the season. After this loss, the Mustangs finished in third place. The team demonstrated a great deal of power as seven players hit for a combined total of 32 home runs. These players included El

Tucker (14), Susan Hartlage (7), Rachel Williams (4), Al Tucker (3), Janna Riddle (2), and Teresa Steffan and Melodye Foreman with one each. The starting pitcher was Rachel Williams with strong relief help from Lynette Miller and Vonda Braun. With only two players graduated, the future looks bright. The final overall record was 14-10 (9-3 in district play). The softball team was coached by Barbara Goodwin and Cecelia Ridge.

► It's Miller Time as Lynette rounds 2nd and heads for 3rd.

Kneeling: Melodye Foreman, Teresa Steffan, Shalanda Harrison, El Tucker, Tami Lintelman, Al Tucker, Angie Steffan, and Caryn Chasteen. **Standing:** Anita King, Donna Braden, Sondra Franklin, Susan Hartlage, Vonda Braun, Sheryl Graves, Rachel Williams, Robyn Smith, Christy Smith, Leigh Wyman, Janna Riddle, and Lynette Miller.

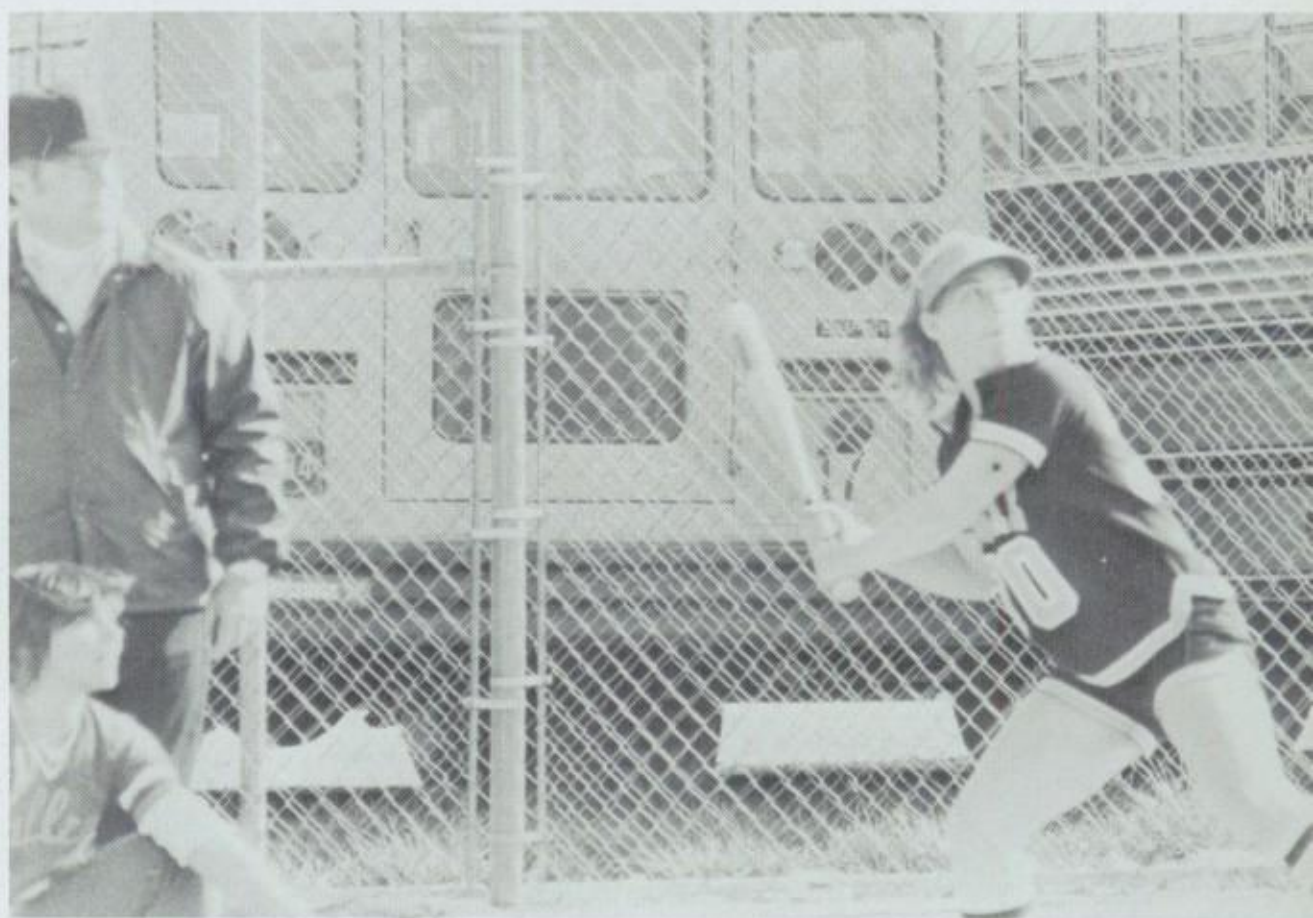

△ Angie Steffan pulls in a fly ball in a game against Valley. The Mustangs went on to defeat the Vikings 22-3.

△ Vonda Braun was one of the Mustangs' top relief pitchers during the 1982 season.

△ Coach Barbara Goodwin

△ Determination is shown in Susan Hartlage's face as she comes to the plate against Valley.

by Marilyn Skaggs

In 1982, the boys' tennis team continued their seven-year winning record. The team was led by sophomore Steve Moran with Rob Frayser in the #2 position. A surprise to Moore this year was a transfer from Durrett, David Morris. Playing number one doubles were Mike Boston and Greg Cambron, two hard working and devoted seniors. Working hard at #2 doubles were John Duke and David Dudding. The team finished the season with a 17-7 record.

No Time For Love

by Eric Metcalfe

The girls' tennis team had its best season ever in 1982 with a 9-5 record. These young ladies represented Moore High School in and out of the county with a great deal of confidence and pride. There was a noticeable increase in skill as the season progressed. This was particularly evident in the final regular season match in which Moore narrowly lost to district champion Mercy 2-3. The team was led by co-

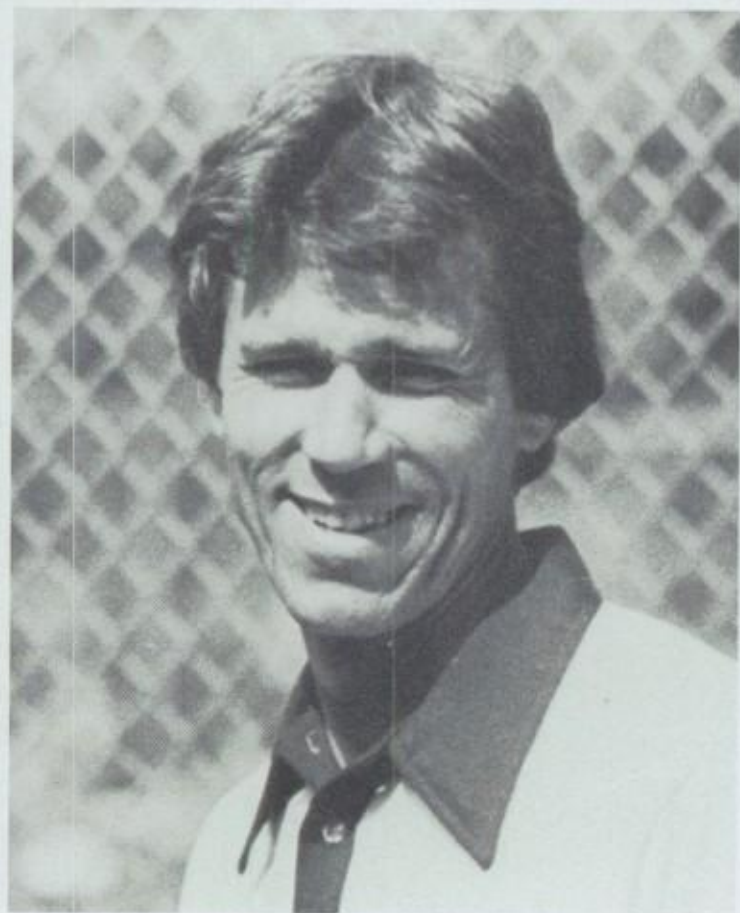

captains Susan Carlson and Kim Blakeman. Kim, who had a 10-4 record during the regular season, received the Most Outstanding award for her leadership qualities and her overall contribution as a player and a student. Susan Carlson was selected as Most Valuable primarily because of her leadership qualities and success on the court. Susan completed the season with 12 wins against only 2 losses.

Post 11-2 Dual Meet Record

by Judi Walden

The boys' track team, coached by Jim Thorne and Ron Freeman, had a very successful season. While compiling an 11-2 dual meet record, they also qualified in 15 out of 16 events in the semi-state. Some of the highlights of the season included participating in the Mason Dixon Games at Freedom Hall in February, qualify-

ing seven runners in the Meet-of-Champions, and winning the first meet of the season by the score of 102-29-20 over Bullitt East and East Hardin. Thomas Saunders, recognized as the *Most Valuable* on the team, was undoubtedly an asset. Being the leading scorer, Saunders broke the school's triple jump record

three times and the high jump record once. He also qualified for the triple jump in the Jefferson County Meet-of-Champions, the triple, high, and long jumps in the semi-state meet, and went on to place fifth in the state finals held at the University of Kentucky track in Lexington.

800 Relay Goes To State

by Judi Walden

The girls' track team, coached by Bob Hanley, had a very successful year. With the leadership of two seniors, Sheila Smith and Mary Jonczy, the team went undefeated in regular season action. During the season, the girls participated in four invitational meets. These meets included the Valley Invitational where they placed second, the Moore-Southern Relays where they placed third, a fifth place at the Iroquois Invitational, and the Derby Classic at Ballard High School where they came in fifteenth. The team also placed runners in the Male-Manual Meet of Champions. At the regional meet held on the Moore track the girls received the runner-up trophy. The 800-meter relay team, consisting of Jenny Gensheimer, India Taylor, Dana Tyra, and Karen Jones placed fifth at the K.H.S.A.A. State Meet held at the University of Kentucky track. At the Spring Sports Banquet, Jennifer Gensheimer was recognized as *Most Valuable*, India Taylor as *Most Outstanding*, and Amy Carlson as *Most Improved*.

Record Does Not Reflect Leadership

by Judi Walden

The 1982 season record for the Moore High soccer team did not reflect the quality and determination of the players. With four wins, eight losses, and three ties, the Mustangs were coached by Bob Magruder and Steve Teasely. Mike Cho was the leading scorer on the team with nineteen goals. He

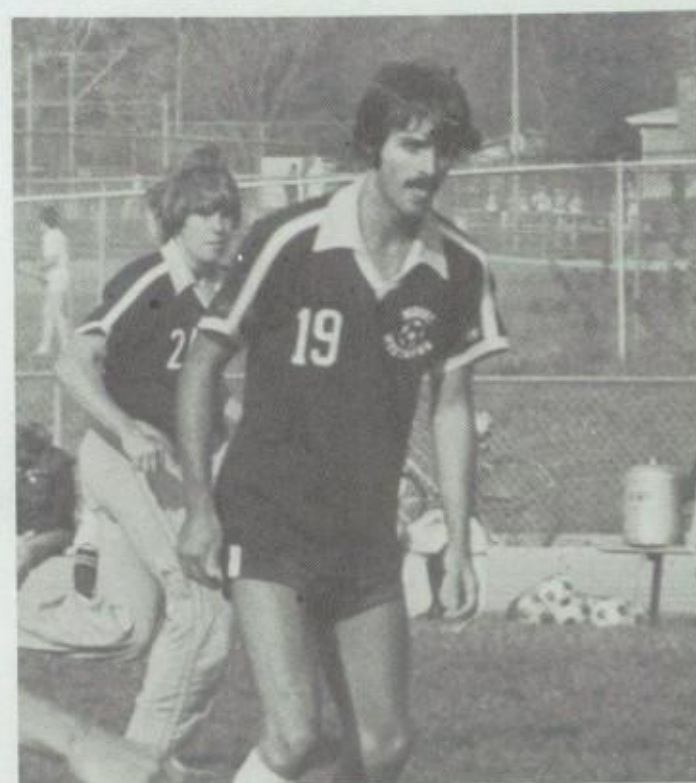

was selected to the all-region team and also was chosen as the most outstanding player at the spring sports banquet. Barry Hindman was second in scoring with fourteen goals and was selected as the most valuable player at the banquet. Gary Sturgill scored two goals and was the

coach's choice for the most improved and versatile player. Additional players who deserve recognition include John Gensheimer for his defensive work, David Sims, considered to be the best freshman, and Donnie Brown, who the coaches hope will be the leading scorer in the future.

Team Has Challenging Season

by Judi Walden

The 1982 football season opened with a close game at Seneca. Defense was the key as the Redskins fought for a 7-6 triumph over the mighty Mustangs. Moore struck back after Seneca took a 7-0 lead in the game when Mike Alexander broke for a 43-yard touchdown run. Moore went for a two point conversion but Jeff Lykins' pass fell short. The Mustangs' last attempt to win was unsuccessful as Seneca intercepted with only seconds remaining.

Southern was the opponent in Moore's first district game. Facing a very physical Trojan team, the Mustangs had to rely on

their quickness if they hoped to win. Southern scored two touchdowns in the first four minutes of the game but the Mustangs gained the advantage on the next Southern possession stopping the Trojans on the six yard line. Bobby Humpich, who led the defense, and an eight-man rush contained Southern well until the Trojans broke loose and gained another two touchdowns, winning 27-0.

The third game of the season for the Mustangs was a tough one against a strong team from Glasgow, Kentucky. Moore played extremely hard but could not manage to keep the Scotties from scoring. Glasgow went home with a 21-0 victory.

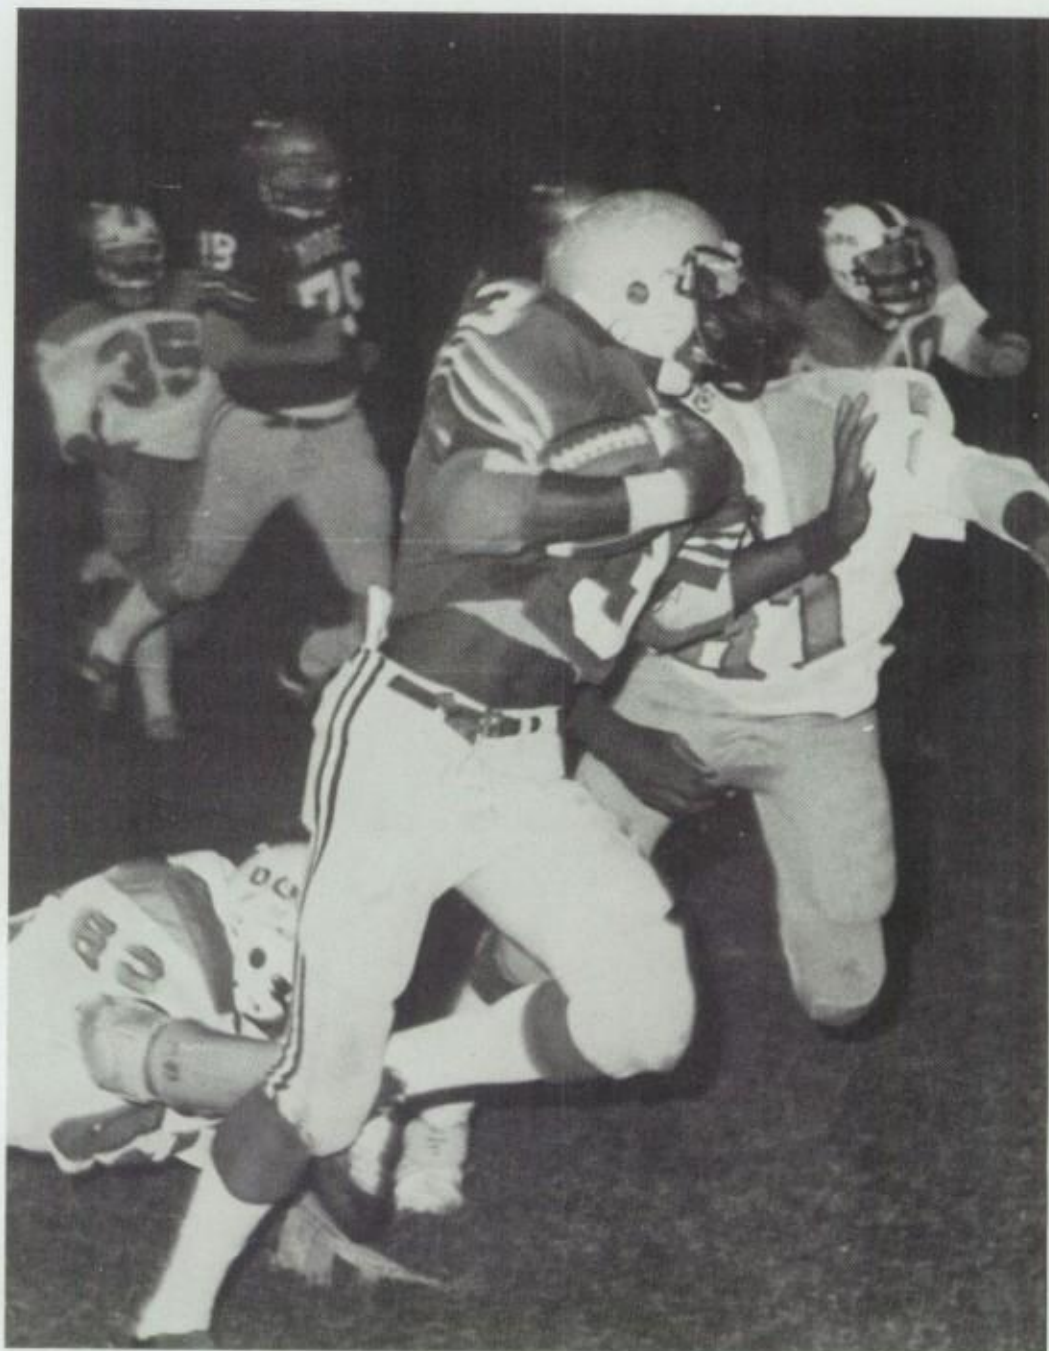

The Mustangs faced the Colts of DeSales at Fairgrounds Stadium the following Friday. After DeSales scored several times, Moore was able to come back as Maurice Washington ran the ball in from 17 yards out for a Mustang touchdown. The Mustangs received their final three points when Mike Cho kicked his first field goal of the season. The final score was DeSales 27 — Moore 9.

After Central cut the margin to 21-13 with three minutes remaining, Moore drove to the one-yard line and killed the remaining time. The final score was 21-13.

In the second overtime, the Mustangs missed an attempt at a 28-yard field goal, but Moore was successful at stopping the Vikings at their attempt for a touchdown on the 1-yard line. The score remained 20-20. The third and final overtime saved the Mustangs score on a 23-yard field goal but Valley defeated the Mustangs on a 10-yard touchdown run, ending the overtimes and the game 26-23.

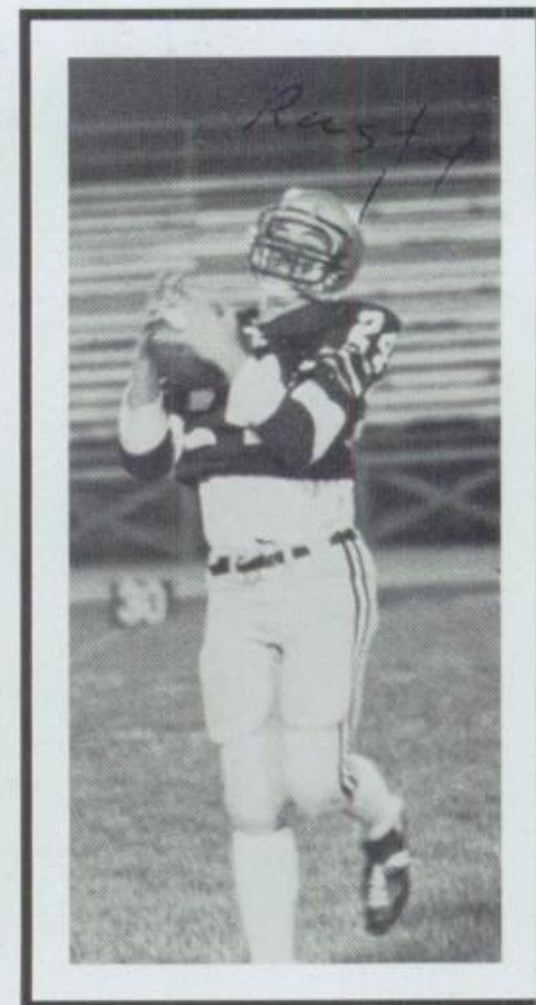

On Senior Night at Moore, the Mustangs confronted their last opponent of the season, the Fairdale Bulldogs. The Mustangs' efforts proved successful as they slaughtered Fairdale with the score 37-13. Greg Dapremont and Rusty Miller each scored two touchdowns and Mike Cho kicked four extra points along with a 38-yard field goal. J.V. Team Has 6-1 Season

by Judi Walden

The 1982 season for the J.V. football team was a successful one. The Mustangs' season record left them with six wins and one loss. Coach Hanley, one of the four team coaches, said he felt that the majority of the team's games were dominated by Moore. The outstanding players were Greg Dapremont, Chris Calvert, Keith

Underwood, Lamar Patterson, Steve Gaffney, Scott Blevins, and Jeff Strickland. "There's a good chance," said Hanley, "that these guys will start on varsity next year." The experience that the J.V. players received is priceless as the coaches experimented with them on both offensive and defensive plays. All in all, the 1982 J.V. football team had an outstanding season.

They also outscored their opponents 174 to 32. The freshmen won the Second District title but were defeated in the semifinals of the county championship by Ballard 7-0 in the last 30 seconds of the game. Post 10-3 Season Record

by Eric Metcalfe

The boys' cross country team had an excellent season with a record of 10-3. Highlights of the season included finishing fourth in the Moore Invitational, placing third in the regionals and qualifying for the state meet at Lexington's Horse Park. Doug Korfhage was recognized as the best runner on the team with Eric Althouse coming on strong at the end of the season.

Althouse earned honors by finishing tenth in the regionals at Seneca Park. Seniors Marvin Wright and Lonnie Sivils also contributed to the team with their outstanding performances at the regionals. A late season injury seemed to have prevented the team from finishing higher in the region. The team finished fifteenth in the state.

Place 5th In Region

by Judi Walden

The girls' cross country team, coached by Jim Thorne, improved steadily during the entire season. Competing in the Moore Invitational, where they finished fourth, and the regionals, where they came in fifth, the young team showed that they had a great deal of determination. Jenny Gensheimer, recognized as the team's #1 runner, won personal honors by placing fourth in the Moore Invitational and third at the regional held at Seneca Park. Coach Thorne feels that if several key injuries had not occurred the possibility of the team finishing even higher in the regionals would have been greater. Girls' Team Has 16-Victory Season

by Mike Stallings

Moore's Lady Mustang volleyball team made itself known in the 1982 season by posting a 16-13 record and advancing to the semifinals of the region. On four occasions the squad was able to come away having defeated both of their opponents in a tri-match. This helped to contribute to a successful season. The Lady Mustangs were led by seniors El Tucker, who was chosen "Most Outstanding," and Janna Riddle who was selected as the team's "Best Server." Tremendous contributions were made by juniors Vonda Braun,

Lynne Elbert, and Sondra Franklin. Rounding out the team and showing great potential were sophomores Angie Steffan, Lynette Vetter, and the team's "Most Improved Player," Renee Rexroat. In her first year as volleyball coach at Moore, Coach Debbie Newton felt her team had a good year. The seniors will be missed next year but she expects another even more successful season for the 1983 squad.

Also, the team wishes to express a special thanks to Marie Churchman and her father who were the team's trainers.

Close Games Blemish Record

by Ron Walden

The 1982-83 campaign for the Mustangs got off to a good start as they defeated the DeSales Colts in the season opener. After this, however, came four straight losses as the boys' team fell to Seneca, Waggener, Central, and Providence. In the Waggener game, the Mustangs trailed by only one at the half but the Wildcats poured in 15 of 25 free throws the last period alone to down the Mustangs 74-66. The Mustangs held a 28-22 edge in field goals in the contest and were led by Don Lyons' 22 points and Lonnie Sivils' 10 rebounds.

Free throws were again the key as the Mustangs fouled 31 times in the contest with Central. The Yellow-jackets hit 30 of 46 free throws while the Mustangs connected on only 7 of

11 from the line. Craig Collard scored 23 points followed by Lonnie Sivils' 14-point performance.

The Mustangs, hoping to improve their record to 2-3 before the Christmas holidays, dropped a close decision to Providence 75-73. The Mustangs cut a 16-point Providence lead to two points with two minutes remaining but could get no closer. Senior Eric Strasser turned in a sterling performance with 20 points and 15 rebounds.

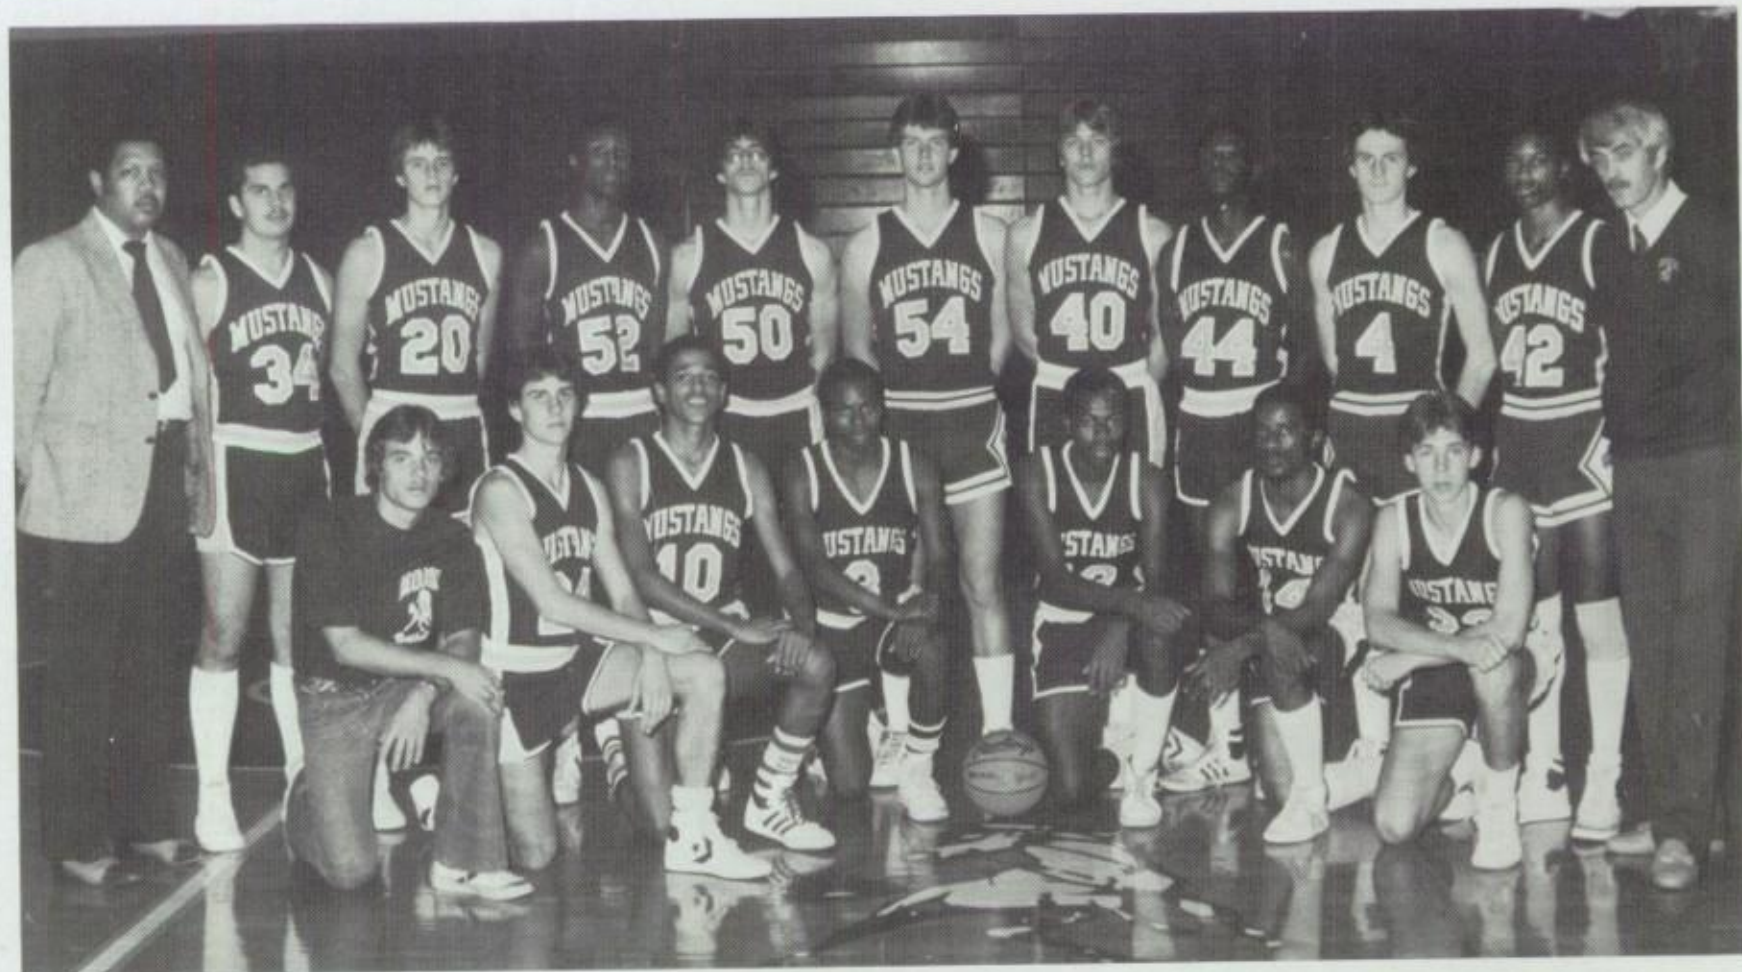

After a defeat at the hands of last year's 7th region champion Jefferson-town Chargers, the Mustangs won their second game by defeating the Fern Creek Tigers 70-64 behind Lonnie Sivils' 19 points and Don Lyons' 18 points and 10 rebounds. Craig Collard added 13 points with Ted Hartman scoring 8 points and collecting 10 rebounds.

Basketball Homecoming '83 was

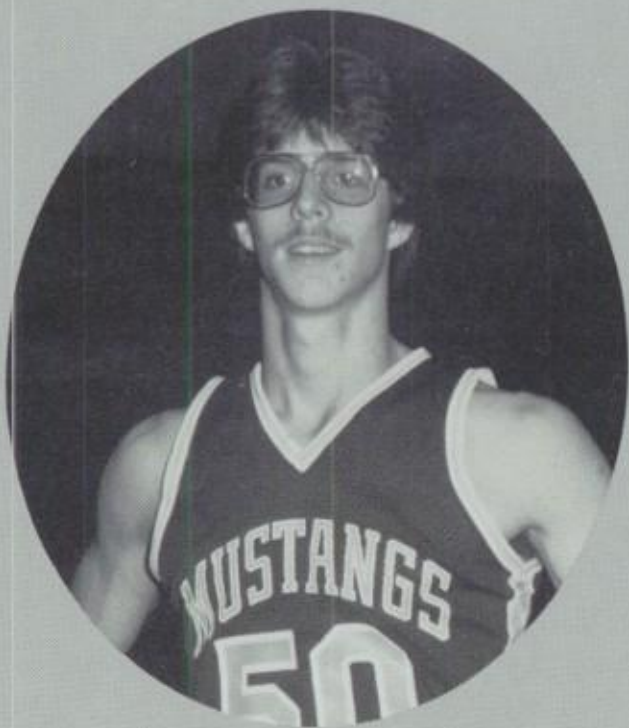

held on Friday night, January 14th, with the #6 ranked Ballard Bruins invading Mustang Country. The Mustangs fell behind by 10 points the first quarter as Ballard never looked back in registering an 85-55 victory over the home team.

After a loss to Floyd Central, the Mustangs bounced back to defeat Southern and Bishop David. The Mustangs led Bishop David by eight points at the half and held on for an 82-75 victory. Lonnie Sivils and Craig Collard scored 20 points each for Moore.

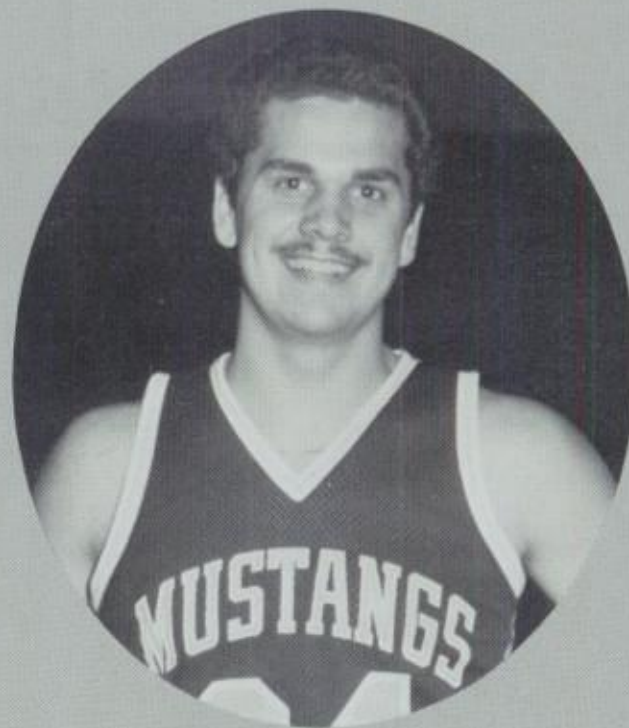

One of the season's most exciting games came against the Atherton Rebels. The Mustangs led by seven points at the half but could not hold that advantage as the Rebels' John Marshall sent the Mustangs home with a 52-51 defeat as his shot fell through the net at the :05 mark.

Team Breaks Consecutive Win Record

by Ron Walden

The 1982-83 edition of the Lady Mustangs got off to a fast start by setting a school record with twelve straight wins. The season opened on the road Friday night, December 2nd at Seneca. The girls outscored the Lady Redskins by 10 points the first quarter and held on for a 56-49 victory. El Tucker and Rachel Williams each scored 14 points.

With two more victories over Angela Merici and Waggener, the girls' team owned a 3-0 record with a chance to improve to 4-0 with a victory over Central. With El Tucker firing in 23 points, the ladies defeated the Yellowjackets soundly, 62-43. After a victory at Providence, the Lady Mustangs traveled to Jefferson-town to face the Chargers. Coach Wallace's team pulled out to a 16-point lead in the second quarter and maintained that margin for a 73-57

victory. El Tucker again paved the way with 26 points.

The next five games were at home and produced as many victories as the ladies defeated Fern Creek, Assumption, Ballard, Floyd Central, and Shelby County. The halftime score of the Fern Creek game was 33-8 as the Mustangs outplayed the Tigers in every phase of the game. Thirteen players scored for the Lady Mustangs with Lynne Elbert taking game-high scoring honors with 13 points. The Assumption Rockets invaded Mustang Country on January 11th and gave the Lady Mustangs their stiffest test thus far. Moore trailed 29-23 at the half and found themselves down by seven after the third quarter. With strong rebounding and clutch free throw shooting from Rachel Williams and the fire power and steals of El Tucker, the ladies outscored Assumption 27-17 the

fourth quarter for an exciting 63-60 victory.

January 14th was basketball homecoming in Mustang Country as the ladies faced another tough opponent in the Ballard Bruins. Lynne Elbert suffered an ankle injury in the first quarter but was replaced by a very competent Terri Wheeler. The team trailed by one at the half but eventually defeated Ballard 66-61. Lisa Williams poured in 18 points followed by El Tucker's 17.

After a victory over Floyd Central, the ladies faced another strong opponent, the highly regarded Rockets of Shelby County. Shelby County owned a 14-1 record and gave Moore all they could handle. The game was decided when Rachel Williams hit a 15-footer at the buzzer to give the Lady Mustangs a 52-50 victory and a perfect 11-0 record entering the Louisville Invitational Tournament.

The L.I.T. opened for the Lady Mustangs on Wednesday, January 26th at the Bellarmine College gymnasium. A familiar foe, the Assumption Rockets, faced the Lady Mustangs. The Moore team barely escaped defeat earlier in the season to Assumption by the score of 63-60. Moore trailed 24-21 with 5:42 left in the first half but then went on a 17-4 run for a 38-28 halftime advantage. The girls held this margin and defeated Assumption 70-60. The Lady Mustangs had lost each of the last three years in the L.I.T.'s first round. The next round in the L.I.T. pitted the Lady Mustangs against the state's #1 ranked team, Warren Central from Bowling Green. Although the Moore girls played Warren Central even the first quarter, they fell behind by 10

points at the half and lost their first game of the season 68-45.

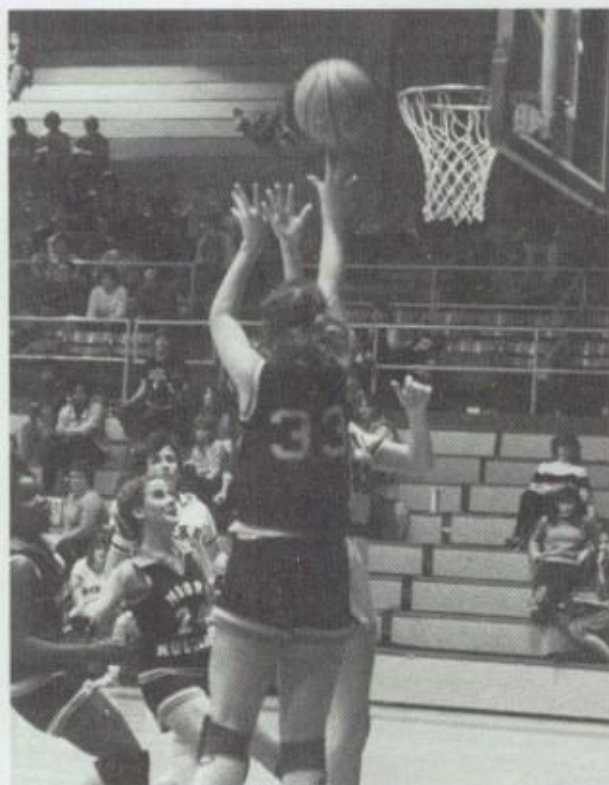

The girls recovered from their first loss of the season by defeating the Atherton Rebels 68-62. Then came one of the most exciting games of the season as the Lady Mustangs faced the Mercy Missiles at the Fern Creek gymnasium. El Tucker connected for 27 points but that was not enough as Mercy's Margie Wicke sank two pressure free throws with :00 showing on the clock for a 57-56 win for the Missiles. The Lady Mustangs bounced back from this bitter loss to defeat Manual and Male. As of this writing, the Lady Mustangs own a superb 15-2 record with five games remaining with Eastern, Iroquois, Butler, Southern, and Western before district play begins.

Team Achieves Despite Setbacks

by Judi Walden

The 1982-83 wrestling team, coached by Mr. Bill Mosby, experienced a season plagued with problems although they still posted a very respectable 10-8 record.

At the beginning of the season the team dealt with inexperience in the smaller weight categories and by mid-season two outstanding seniors, Bob McNutt and Maurice Washington were lost by way of injury. Junior Mike

Vesel was also out for the season because of medical reasons. Despite the setbacks, there were many achievements made by the wrestlers. At the Falls City Tournament in New Albany, Indiana, both David Woods and John Peals came in first place in their respective weight classes. Scott Ezell also participated in the tournament and placed fifth.

Heavyweight Woods and 126-pound class Peals

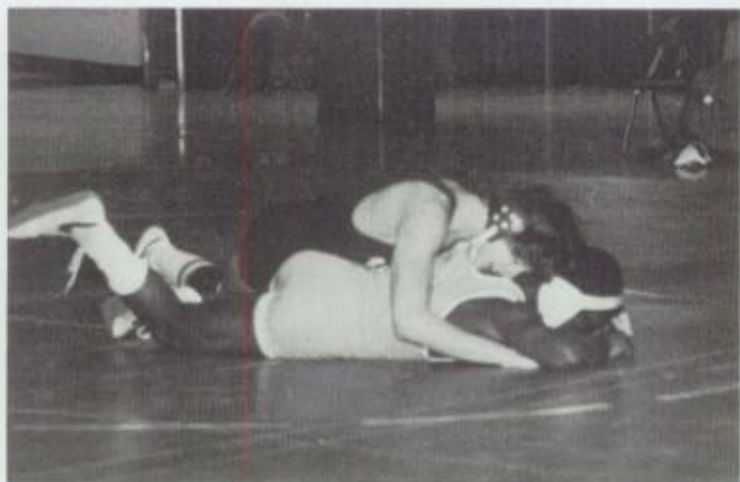

advanced to the K.H.S.A.A. State Wrestling Tournament held February 18th at Atherton High School. Peals was beaten in overtime in the first round. Woods wrestled his way through the semifinals and placed third in the state. A major upset in the tournament came when Woods pinned Robbie Buchholz of Franklin County who had previously racked up 24 straight wins.

WEST SIDE STORY

On November 19, 20, and 24, 1982 at 8:00 p.m. the energy and work of students at Moore was about to be put into action. This may seem easily done but don't be fooled. With six weeks of long night-time rehearsing and plenty of daytime painting and hammering, they did it. To give a little more depth on the way *West Side Story* was produced, you can take a trip through those fabulous six weeks. First, auditions were held with rehearsals following shortly thereafter. From here the production was in progress. No one can even begin to imagine the time and excitement that goes into such a play. The experience can only speak for itself. There is so much to be done in such a short time. The funny thing about this is the work is pure excitement; excitement that can be replaced by nothing. The audience sees the excitement at its peak but each student and faculty member at Moore High School sees it grow from the very beginning. The theatre department at Moore is in its second year and growing stronger and stronger every day! Mr. Stickler, who directed *West Side Story*, is very skilled in the area of theatre arts. He is the one who keeps that energy and excitement flowing all the time. Needless to say, he's one of a kind.

The Madwoman was a play written by Jean Giradeaux. The characters in the play were eccentric and quite colorful. Each student made their own costume and put on their own make-up. The entire theatre class designed the set.

The play was presented to 9th and 10th grade English classes and at night for the parents. Everyone thoroughly enjoyed the production.

On October 16th, the Moore Band traveled to Middle Tennessee State University in Murfreesboro, TN. This prestigious contest is by invitation only and the Moore Band was the only band from Jefferson County to be invited. The band won 5th place out of 16 bands in Class A and performed in front of 20,000 people, the band's largest audience ever. HIGH Q TEAM

For the first time in the school's history, Moore was invited to participate in High Q, a scholastic competition sponsored by WAVE-TV and Spalding College. Team members were chosen through a series of tests. After the team members were picked, the team took yet another test at Spalding to decide if they would be chosen to compete on T.V. The team placed in the top one-third of the schools taking the test and began practicing for the T.V. competition. Moore competed against Sacred Heart Academy on January 16 and was beaten by a score of 355-145.

▲ **Sitting:** John Snyder, Rob Frayser. **Standing:** Ms. Pat Wheeler (**Sponsor**), Marilyn Skaggs, Mike Key, Jeff Coomes.

HOMEWORK HOTLINE

This year, Moore participated in a county-wide program called *Homework Hotline*. Students volunteered to man the hotline during a one-week period. The program was based at the regional office which was formerly Durrett High School and allowed students from across the county to call in with their homework problems. The students who volunteered from Moore found it to be a rewarding and a very meaningful experience.

▲ **Melissa Fogle** was one of the Homework Hotline volunteers.

▲ **Judi Walden** answers a student's question while working with the hotline.

GERMAN DAY

On February 10th, Moore High School's German Club conducted a German Day in the lobby. Everyone participated by dressing in traditional German costumes. There were booths on travel, arts and crafts, language, sports, media, and dance. German students danced the polka and the lunchroom served a traditional German meal.

▲ Members of the German Club display their exhibits of German culture at the annual German Day held in the lobby.

◀ The excitement surrounding German Day was almost un"bear"able.

▼ Some German Club members were somewhat reluctant to show off their polka skills.

▼ Donna Forbes and Jamie Shoulders show off their dancing skills on German Day. German Day is an annual celebration coordinated by members of the German Club under the direction of their sponsor, Ms. Dolores Wilson.

▲ No German Day celebration would be complete without the traditional polka as demonstrated by German Club members Kim Moran and Tate Shepherd.

Moore's basketball homecoming week got off to a colorful start on Monday with Plaid Day. Moore students indicated their collegiate pride on College Day by wearing T-shirts indicating their favorite school. On Sweatsuit Day students were forced to "sweat out" another day at school in anticipation of homecoming night activities. The annual Blue-Gray Day gave students a chance to display the special pride only Moore students have.

Friday's pep rally is always the highlight of Homecoming Week and this one was even MOORE spectacular than usual. Class competitiveness ran strong in the competitions as nearly every class won a competition. The spirit and decoration competition was won by the sophomores, the peanut race was won by the juniors, and the seniors won the tug-of-war. A mock basketball game was staged between the boys' and girls' teams in which the girls out-shot the boys. The flag and drill corps performed and got the students fired up for the exciting night to come.

▲ I'm just hanging around.

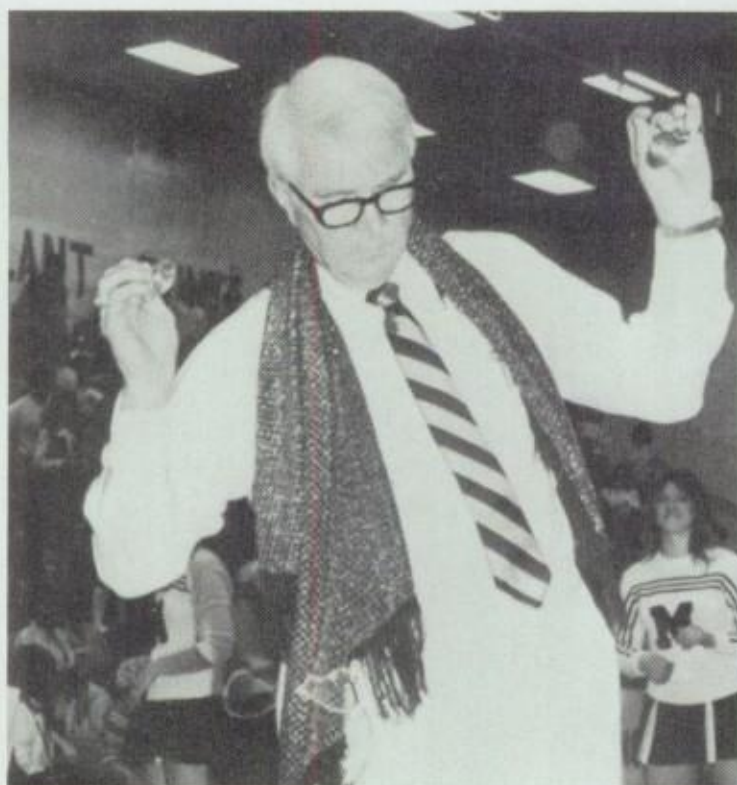

▲ Tony pulls for the Juniors.

▲ The Fillies "Ease On Down the Road."

▲ The queen is crowned.

▲ Mr. Knuckles struts his stuff.

▲ Allyson shows her spirit on Toga Day.

▲ El encourages the crowd at the pep rally.

▲ The Homecoming Court awaits the final decision.

HOMECOMING

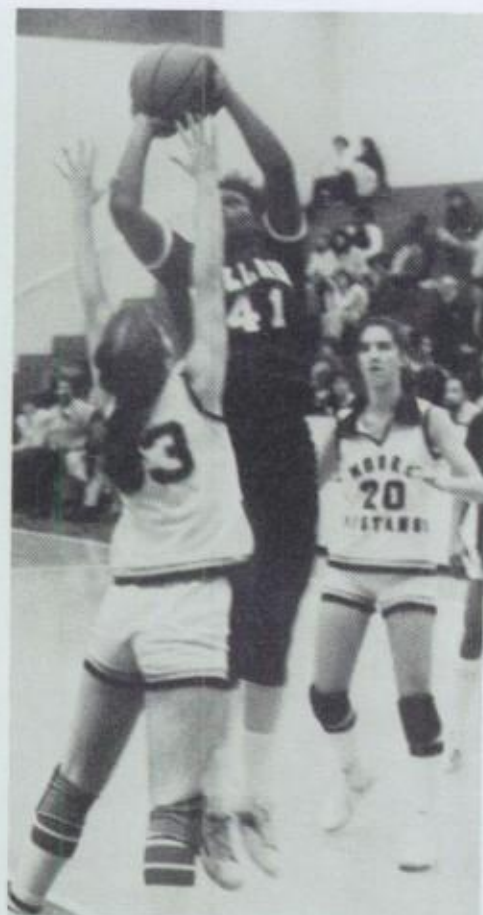

▲ The pep rally drove Tonya nuts.

▲ Rachel goes up strong for two points.

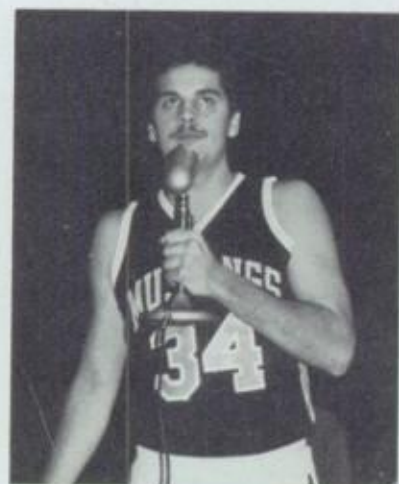

▲ Brad fires up the crowd.

▲ The Lady Mustangs fight back.

▲ It's another Moore High pep rally.

▲ Ted puts a little pep in the pep rally.

▲ The band accompanies the Flags as they perform.

Homecoming night brought a rush of excitement and anticipation. In the first game, the girls remained unbeaten in a hard-fought game against the Ballard Bruins by the score of 66-61. Outstanding performances were turned in by all players. This night, however, was not to be a winning night for the boys' team. Despite a valiant effort, the boys could not overcome the #2 ranked Bruin team and fell by the score of 85-55.

At halftime, after the Moore High Fillies performed a jazz routine to *Ease On Down the Road*, the homecoming princess and queen were crowned. Senior Rosalind Gradnigo had the honor of being crowned Basketball Homecoming Queen of 1983. Freshman Angela Schroader was crowned princess.

An overwhelming crowd turned out for the homecoming dance which featured the band *Foreplay*. All but one of the band's members attend Moore. Everyone was very impressed with their performance.

Even though the boys were not victorious in their game, through the girls' impressive victory and the great support given to our teams, homecoming week proved to be an exciting and spirited time for all.

Mrs. Bill Rush has been at Moore since its opening fifteen years ago. Previous to coming to Moore, he taught science and biology for ten years at Southern and was a counselor at Jessie Stuart High School for one year. Mr. Rush grew up within one mile of Moore so he has always taken a special interest in the Moore community. Mr. Rush feels that the teacher-student relationship at Moore is very good and that the teachers maintain an understanding but fair attitude toward their students. He feels the majority of teachers have a good rapport with the students. Mr. Rush's one regret here at Moore is that he is forced to deal more with problem students and doesn't have a chance to get to know Moore's more outstanding people.

Assistant Principal — Sophomores
WILLIAM RUSH

Assistant Principal — Juniors/Seniors

He feels Moore's student-teacher relationship is great and that there is a great deal of cooperation between both the pupil and the teacher. Mr. Stivers enjoys his job very much although he wishes his position could deal with the positive aspects of our school instead of with the negative ones.

Assistant Principal — Freshmen
ELDORA GIVENS

Mrs. Eldora Givens has been teaching since 1963 and has been at Moore for two years. She has obtained majors in German, chemistry, psychology, Spanish, and physics. Mrs. Givens says Moore is the best facility in which she has ever worked. She also likes the people in our community. She feels there should be a mutual respect between teacher and student and that Moore has achieved this. Mrs. Givens loves her job and maintains that it is never boring. She loves working with people. Mrs. Givens feels that not all discipline is negative. She finds it satisfying to see a positive change in a student.

Gordon Linscott Retires

The 1982-83 Saga staff as well as the entire faculty, staff, and student body of Moore High School wish the best of luck to Mr. Gordon Linscott. Mr. Linscott came to Moore last year as the sophomore counselor and was serving in that capacity this year when he made the decision to retire during the first semester.

Previous to Moore, he was a counselor at Thomas Jefferson High School for six years. Mr. Linscott's first teaching position was teaching junior high math in Italy. He came to Kentucky in 1962 and taught at Portland Christian and Central High School. Once again, we would like to offer our best wishes to **Mr. Gordon Linscott.**

From the tip of your nose,
To your tiny little toes,

Is a person who has shown,
His maturity as he has grown.
Because you've worked so hard,
Throughout the past twelve years,

Look back and remember,
All the good times and the tears.
The future will be brighter,
So set your goals high,

And remember all those faces,
As you bid your class good-bye

If you have anything really valuable to contribute to the world, it will come through the expression of your own personality — that single spark of divinity that sets you off and makes you different from every other living creature.

With common goals and common longings, we laughed, we loved, we played, we won. Those were our high school days, our happy days. They were real because we made them real. They were alive because we existed.

THE END

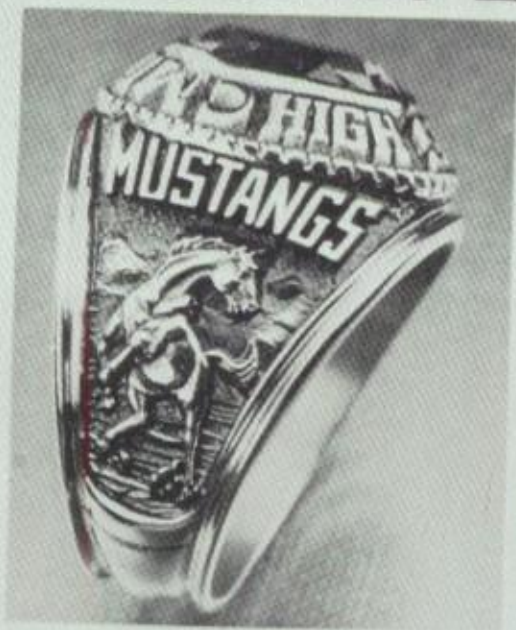

As the year comes to a close and graduation is fast approaching, I pause to remember the role Moore has played in my life. I sincerely hope that the 1983 Saga has captured your joys and laughter and your fondest memories between its covers. I hope this book represents more than just words and pictures but the special moments we've all shared together.

As we leave high school and go our separate ways, I wish each one the very best of luck and may God always be with you.
